BROWN SEAL OVERPRINT

These overprint notes series 1935A silver certificates were printed for and issued in the Hawaiian islands during World War II. In case the islands were lost to the enemy they could easily be devalued. The notes we offer show a bit too much wear, or have light tears or light writing. They make great items for trading at the coin club or selling at the flea market.

A DIFFERENT SLANT ON 90% SILVER COINAGE

Brilliant Proof

We think *now* is an excellent time to buy silver, especially silver coins. This month we are offering a different slant on buying 90% silver coins. Instead of offering dull & worn 90% silver coins dated 1964 and before, we are using coins from broken 1992-2015 silver proof sets! These bright and shiny coins are struck on the same silver planchets as the “old” dimes, quarters and halves dated 1964 and before but are priced cheaper! Take advantage of this unusual and *brilliant* opportunity!
