1883 HAWAIIAN KINGDOM RARE COIN ISSUES

We recently purchased another hoard of 1883 Kingdom of Hawaii coins. We feel these are vastly under-rated coins. Start a set today. The cent is dated 1847 and portrays King Kamehameha III, while the silver coins are all dated 1883 and show King Kalakaua I. These coins were all struck at the San Francisco mint.

CIVIL WAR TOKENS
Very Good or Better

During the years of the Civil War, due to the disappearance of nearly all the hard money; Civil War merchants made these fascinating tokens. Some were patriotic with a flag or some such symbol, some were just advertisements for the store that issued them; called "store cards" similar to today's business cards. We bought an interesting collection of these tokens. The collection was quite diversified and no matter how many you order, we will try and send all different!
