*Signs of Spring*

Goodbye winter! Here in the South we are seeing the beginning signs of spring. Singing birds, tree and flower buds, and warmer weather! To celebrate the end of winter, we have put together some interesting offers—some we've been collecting all winter long.

**FEATURED COIN SPECIALS FOR MARCH**

**AUTHENTIC ANCIENT INDIAN  
 ARROWHEADS & KNIFE POINT**

We've acquired a small group of genuine arrowhead and knife points made between 300 and 500 years ago by Native Americans. These are quite interesting considering the crude tools used to make these; i.e. other rocks and boulders. Obviously no two are alike in size or color. It's pretty incredible to imagine how, when or why they were used.
