### *Cleaning Out the Marketplace*

Vrrrooom!! Considering the pace at which desirable coins are being vacuumed from the market, real doubt exists for most dealers as to the availability of replacement inventory. The last time this phenomenon happened to such an extent was many years ago and within a few short months prices have skyrocketed. Don't wait until the market is "sucked dry" and prices have advanced considerably. At the Coin Depot, we still have bargains to offer, but hurry tomorrow's prices will be here quicker than you'd think.
