**PIONEER'S POUCH**

*~ Unusual Offering ~*

A pioneer's life out west in the 1800's may have looked glamorous in movies and tv, but was actually very hard. The hours were long and living conditions were poor; all for very little pay. We are offering our version of what you may see in a pioneer's pouch. This will include a Large Cent, Indian Cent, V-nickel, Two-Cent Piece, Three Cent Nickel and a Seated Liberty Dime, all dated between 1840-1899 and in *Average Circulated* condition. Each group will be housed in an old timey pouch.

We have entered unprecedented times with the corona virus, falling stock market and an unknown future to come. We highly recommend these old silver coins dated 1964 and before. These are known as junk because they are only valued for silver and have no additional collector value. These make a great hedge against the dollar, inflation and all the other uncertainties.
