**MODERN
"HOBO" NICKELS**

During the Depression (the 1930's, not 2020) hobos would often carve a beard and/or hat or onto a buffalo nickel. They would then try to trade it for a meal. Many of these are now considered rare art and sell into the thousands of dollars.

While ours are modern day issues, they are still a lot of fun. Each one is made by hand and each one is different.
