CIVIL WAR TOKENS

Very Good or Better

During the years of the Civil War, due to the disappearance of nearly all the hard money; Civil War merchants made these fascinating tokens. Some were patriotic with a flag or some such symbol, some were just advertisements for the store that issued them; called "store cards" similar to today's business cards. We bought an interesting collection of these tokens. The collection was quite diversified and no matter how many you order, we will try and send all different!

We think *now* is an excellent time to buy silver, especially silver coins. This month we are offering a different slant on buying 90% silver coins. Instead of offering dull & worn 90% silver coins dated 1964 and before, we are using coins from broken 1992-2015 silver proof sets! These bright and shiny coins are struck on the same silver planchets as the "old" dimes, quarters and halves dated 1964 and before but are priced cheaper! Take advantage of this unusual and *brilliant* opportunity!
