U.S. SILVER COIN BAGS

Silver coin bags are one of the most cost efficient ways to own silver. They can be easily divided for storage or later resale and the premium per ounce is one of the lowest of all silver products. Each \$1000 face value bag contains pre-1965 dimes and quarters. There's approximately 715 ounces net pure silver in every bag (give or take a little because of wear on the coins).

Do call for current price and confirmation before ordering.
